

## HKUST School of Science Exchange Program 2024-25 Information Sheet

<b>University Information</b>				
University name	The Hong Kong University of Science and Technology			
Address	Room 6515, Academic Building, Office of the Dean of Science,			
	The Hong Kong University of Science and Technology,			
	Clear Water Bay, Kowloon, Hong Kong			
University website	http://hkust.edu.hk			
School of Science website	http://science.hkust.edu.hk			
<b>Exchange Program website</b>	http://advise.science.ust.hk/sfs/exchange			
General Enquiries	ssciexchange@ust.hk			
Contact	Miss Celin AU			
	Telephone: (852) 2358 5860			
	Fax: (852) 3743 0495			
Application Information				
Nomination Deadline	Fall Term: 15 March 2024			
	Spring Term: 15 September 2024			
<b>Application Deadline</b>	Fall Term: 31 March 2024			
	Spring Term: 30 September 2024			
	Summer Term: Please refer to the <u>HKUST International Summer</u>			
	Exchange Program website.			
<b>Duration of Exchange</b>	1 Term or 1 Academic Year			
Eligibility	An undergraduate student from our partner institutions			
	A postgraduate student from our partner institutions			
	(You are advised to consult the Exchange Program Office of your			
	home institutions and take note of the course restrictions before			
	submitting your application)			
	Proficient in English, as our courses are mainly conducted in English			
<b>Application Procedures</b>	1. If you are eligible and interested to join our Exchange Program, please			
	approach the Exchange Program Office of your home institution and			
	seek for nomination.			
	2. Once your home institution nominates you to us, you will be given			
	the access right to our <u>online system</u> to <b>create student profile</b> and			
	submit your application with the following supporting			
	documents:			
	Official academic transcript (with English translation if necessary)			
	Photocopy of the photo page of national passport			
	3. Offer letter and admission package will be available on the online			
	system 3 to 4 weeks after the deadline of application if student			
	application is successfully accepted by us.			
	Application details can be found at			
	http://advise.science.ust.hk/sfs/exchange/incoming/application-			
	procedures			

Fall Term: 2 September – 20 December 2024 (Arrival date: 28 August 2024) Spring Term: 3 February – 29 May 2025 (Arrival date: Late January 2025) Summer Term: Mid-June – Mid-August  English  Terdit Requirement  Credit Requirement  Class enrollment  Class enrollment  Class enrollment will be done online in August for Fall Term and January for Spring Term respectively.  Course Catalog  http://prog-crs.hkust.edu.hk/  Course Offered  Please be flexible in designing your study plan as not all courses stated in the Course Catalog are offered every Term. Confirmed courses and class schedules for the forthcoming term are normally finalized until late July for Fall Term and late December for Spring Term respectively. To check courses offered over the past Terms, please visit the Class Schedule & Quota Website.  Course Restriction  Science Courses  Science Exchange students will generally have priority in taking the following courses offered by the School of Science, subject to the course pre-requisites, class quota and approval of the course instructors.  • Chemistry (CHEM)  • Life Science (LIFS)  • Mathematics (MATH)  • Ocean Science (OCES)  • Physics (PHYS)  Courses offered by other Schools  Science Exchange students are allowed to take courses offered by other Schools, but this is subject to the course pre-requisite requirements, class quota and approval of the course pre-requisite requirements, class quota and approval of the course pre-requisite requirements, class quota and approval of the course pre-requisite requirements, class quota and approval of the course pre-requisite requirements, class quota and approval of the course pre-requisite requirements, class quota and approval of the course instructors.
