

SCHOOL OF SCIENCE PRESENTS

DISCOVERING SCIENCE AT HKUST

“Discovering Science at HKUST” is an annual event organized by the School of Science to provide an opportunity for senior secondary school students, who have a strong interest in studying science, to learn more about the School and its programs.

Date:

9 November 2019 (Saturday)

Time:

9:00 am - 12:45 pm

Venue:

Lee Wing Tat Lecture Theater (LT-D)
The Hong Kong University of Science and Technology

Target:

S6 HKDSE students

Programs:

- Admission Talk for the School of Science
- Program Highlights by Science faculties
- CAMPUS RUN - Science is FUN
- “Get to Know” sessions by UG students

Recognition of Participation:

S.6 students who have attended the event would earn OEA bonus points in their 2020 JUPAS application for entry to the Science (Group A) Program (JS5102), Science (Group B) Program (JS5103), IRE Program (JS5101), BIBU Program (JS5811) and MAEC Program (JS5813).

Registration:

Interested students please register **on or before 25 October 2019** via:

<https://events.science.ust.hk/Discovering-Science-2019>

A confirmation email with details of the event will be sent to participants after successful registration. As places are limited, registration will be made on a first-come-first-served basis.
