Graduate Career Opportunity

Research Talent Hub (RTH) Programme

Smart City | Financial Technologies | Health Technologies | Intelligent Manufacturing | Application Specific Integrated Circuits

Background

To nurture technology talent and encourage them to pursue a career in innovation and scientific research, the Innovation and Technology Commission (ITC) launched the Research Talent Hub (RTH) programme.

Eligibility

- must be legally permitted to work in Hong Kong;
- must possess a bachelor／master degree awarded by a local university or a doctoral degree from either a local university or a well-recognised non-local institution. The degree obtained should be in a science, technology, engineering and mathematics ("STEM") related discipline.

Application

The programme invites applications for all year round. Applications should be submitted to :
