

SCHOOL OF SCIENCE PRESENTS

DISCOVERING SCIENCE AT HKUST

“Discovering Science at HKUST” is an annual event organized by the School of Science to provide an opportunity for senior secondary school students, who have a strong interest in studying science, to learn more about the School and its programs.

Date:

21 November 2015 (Sat)

Time:

9:00 am - 12:30 pm

Venue:

Lam Woo Lecture Theater B (LT-B)
The Hong Kong University of Science and Technology

Target:

Secondary 5 and 6 students

Programs:

- Admission Talk of Science Program and IRE Program
- Introduction of New Joint School Programs
 - Biotechnology and Business (BIBU)
 - Mathematics and Economics (MAEC)
- “Get to Know” Sessions of different science majors
- Science Show & Introduction of Exchange and Internship Opportunities

Recognition of Participation:

S.6 students who have attended the event would earn OEA bonus points in their 2016 JUPAS application for entry to the Science Program (JS5100), IRE Program (JS5101), BIBU Program (JS5811) and MAEC Program (JS5813).

Registration:

Interested students please register **on or before 12 November 2015 (Thu)** via:

<https://event-days.science.ust.hk/discovering-science-2015>

A confirmation email with details of the event will be sent to participants after successful registration. As places are limited, registration will be made on a first-come-first-served basis.
